February 15, 2023

Dear Applicants,

The Housing Choice Voucher program waitlist opening of 2023 has officially closed. Pre-applications were accepted from February 1, 2023 through February 15, 2023. The waitlist closed at midnight on February 15, 2023. On or about February 24th, the Taylor Housing Commission will hold a random drawing to select 300 names from all of the pre-applications that we received, during the open period.

On or after February 25th, 2023 you can go to our website, www.taylorhousing.org, and from the Section 8 tab in the upper left, you can select the Waitlist Status Lookup, from the drop down menu, and find out if you were selected in the random drawing. **ONLY if you were selected, will you be assigned a position on the waiting list and that position will be displayed.**

Please do not call the Taylor Housing Commission offices, as you can find your waitlist position on our website. The Taylor Housing Commission will NOT take calls requesting waitlist status.

You need to keep your mailing address current in our system, at all times, so that we can get official correspondence to you. IF YOUR MAILING ADDRESS CHANGES PLEASE EMAIL ME AT:

johnc@taylorhousing.org

Any changes other than mailing address changes must be requested in writing.

Sincerely,

John Carter
Executive Director
